Career Objective

Aspiring Software Developer with hands-on experience in Python, web development, and AI-based applications. Skilled in building responsive web applications and real-time solutions using modern technologies. Seeking to contribute technical skills and problem-solving abilities in a growth-oriented organization.

Education

Bachelor of Technology in Computer Science & Engineering with AIML **2022 - 2026**

Kanpur Institute of Technology, Kanpur, UP, India

Percentage: 7.97 CGPA

Intermediate – CBSE (PCM) **2021 - 2022**

B.K.D. Aldrich Public School, Orai, UP, India

Percentage: 73.5%

Technical Skills

- **Languages:** Python, JavaScript, HTML, CSS
- **Frameworks:** Flask, OpenCV, Tailwind CSS
- **Tools:** Git, GitHub, VS Code
- **Libraries:** NumPy, Pandas, face_recognition
- **Database & Storage:** MySQL, CSV, File Handling
- **Concepts:** Computer Vision, AI Basics, Frontend Technologies

Projects

- **AI-Based Attendance Management System using Face Recognition (Ongoing)**
 - Developed a real-time attendance system with webcam-based face detection and automatic attendance marking.
 - Built an interactive dashboard with student registration and attendance management features.
 - **Tech Stack:** Python, Flask, OpenCV, face_recognition, NumPy, Pandas
- **Student Portfolio Website**
 - Designed a modern personal portfolio website showcasing skills and projects.
 - Implemented modern UI design with user-friendly layouts for multiple devices.
 - **Tech Stack:** HTML, CSS, JavaScript, Bootstrap
- **E-Commerce Website**
 - Enhanced a dynamic e-commerce website with interactive product pages and shopping experience.
 - Focused on user-friendly design and modern frontend development.
 - **Tech Stack:** HTML, CSS, JavaScript

Certifications

- **Participation in Web Development Hackathon 1.0** – Tutedude
- **Artificial Intelligence Masterclass** – ISO Certified Program
- **Cybersecurity Training with Grade A** – ICT Academy & Redington Foundation
- **Frontend Web Development Internship** – CodSoft
- **Full Stack Web Development Internship** – Internship Studio

Achievements

- Refined modern web projects using modern frontend and backend technologies.
- Actively participate in coding contests to strengthen analytical thinking and problem-solving skills.
- Completed Cybersecurity Training under Advanced IT Skills Training Program with Grade A.

Strengths

- **Core Strengths:** Problem-Solving, Leadership, Communication, Teamwork, Adaptability, Time Management
- **Languages Known:** English, Hindi
